

24-48 Hour FBI Fingerprint Processing

We process FBI fingerprint based background checks with results returned within 24-48 hours electronically and if you need mailed results they are sent by first class mail which has an average delivery time of 5-7 business days. The following are step by step instructions to getting fingerprints processed successfully with the FBI.

Step 1 Fingerprints – You will need to visit either of our locations listed below to have your fingerprints taken for processing with the FBI.

Step 2 FBI Results – After your prints are taken your results are returned within **24-48 Hours**. You will be provided with additional instructions for obtaining your fingerprint results. Once you have successfully obtained your FBI results they are yours to keep and can be emailed, printed on paper or forwarded as needed. If you need the mailed results they are sent by first class mail which has an average delivery time of 5-7 business days.

How Long Will This Take – We typically get you in and out within 5-10 minutes.

Appointment or Walk-In – Appointments are not required but we process appointments prior to walk ins. You can schedule an appointment for either location through our website.

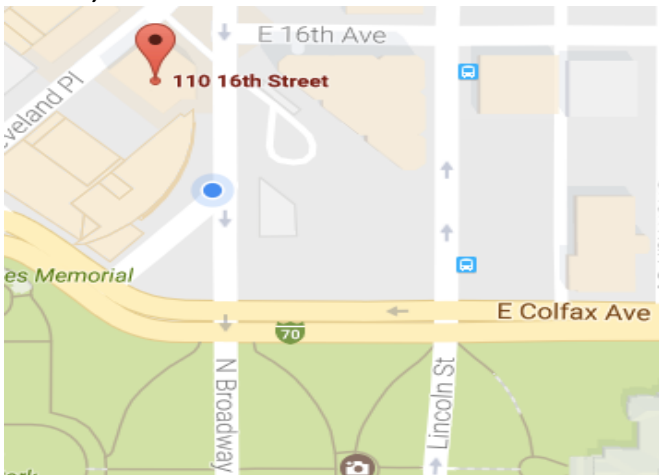

What You Need to Bring – Government Issued Photo ID – This can be a driver's license, passport, military ID or other government issued ID with a photo. Angel Services – Inform the fingerprint tech that you are with Angel Services and the cost is \$55 which can be paid with credit card or cash.
